

Galvanizers Association

109th Conference

Detroit Marriott Troy, Troy, MI USA
October 15-18, 2017.

THE KEY TO A SUCCESSFUL PROGRAM IS FULL MEMBER PARTICIPATION

As you know, your association strongly discourages hospitality suites, outside entertaining or activities, during ANY of the scheduled conference events. With this in mind, many companies sponsor or co-sponsor various events to help offset costs, keep registration fees to a minimum and ensure full participation. Sponsoring an event begins with the evening welcome reception and continues throughout the entire conference including: breakfasts, coffee breaks, lunches, receptions and dinners. These sponsorships increase the impact of your support of the conference, heightens awareness of your company, and is appreciated by all delegates. Can we count on your contribution making this another successful meeting?
